RE: TONOLLI CORPORATION SUPERFUND SITE

Dear Ms. McCartney:

Having received copies of correspondence from Mr. Stanley L. Laskowski, Regional Administrator of U.S. EPA Region III, dated 2/16/89, Armstrong Containers, Inc. has reconsidered its position regarding its participation in a group of PRPs.

Reversing our intentions as stated in my letter to you of 8/17/88, Armstrong Containers, Inc. is now willing to participate in the RI/FS efforts.

Sincerely,

ARMSTRONG CONTAINERS, INC.
